

# Knowledge Sharing Seminars

*A guide to the UK pensions system*

**Venue: Kings College, 22 Kingsway, London WC2B 6LE**

The PPI has established itself as **an authoritative independent commentator on policy on pensions and retirement provision**. Our publications provide the facts and encourage debate. They are used in Parliament, in the media, by pension providers and by many others in the pension community. The PPI provides research and analysis on the implications of pension reform proposals on state pensions, private pensions and on the interaction between them. This work enables the PPI to be **a well-informed analyst and commentator on pensions policy and retirement provision**.

**Tuesday 30th January 2018: 2pm – 5pm**

*(Arrival from 13.45, Start: 14.00, End: 17.00)*

The **Knowledge Sharing Seminar** will deliver an overview of the current UK pensions system and an introduction to the policy issues, including the state pension, triple-lock, SPa, private pension provision, regulation, tax relief, automatic enrolment, and LISAs. Each session will reflect the current position of, and legislated future changes to, the UK pension system.

*"I've recommended that any new starter on our team attend this course, I think it was brilliant and wish I had had the opportunity to attend when I started last year. This was an excellently presented overview. I really liked that it also provided context as to how the system has changed."*
