A guide to the UK pensions system

Venue: Cabinet Room, Kings College, 22 Kingsway, London WC2B 6LE

The PPI has established itself as **an authoritative independent commentator on policy on pensions and retirement provision**. Our publications provide the facts and encourage debate. They are used in Parliament, in the media, by pension providers and by many others in the pension community. The PPI provides research and analysis on the implications of pension reform proposals on state pensions, private pensions and on the interaction between them. This work enables the PPI to be **a well-informed analyst and commentator on pensions policy and retirement provision**.
