## Announcement: Chris Curry appointed Principal of the Pensions Dashboard Industry Delivery Group

The Pensions Policy Institute (PPI) announced today that its Director, Chris Curry, is to reduce his time commitment to three days a week, in order to take-up the role as Principal of the Pensions Dashboard Industry Delivery Group with the Money and Pensions Service, starting on 8<sup>th</sup> July 2019.

The PPI Council has welcomed the recognition Chris has received in being appointed to the Dashboard role.

**Lawrence Churchill CBE, Chair of PPI Council commented**

“Chris is an excellent choice to take the Dashboard forward and PPI has a strong and well-established team and is confident its research programme will not be affected.”

**Chris Curry, PPI Director and Principal of the Pensions Dashboard Industry Delivery Group added** “I am delighted to have the opportunity to be involved in something as important as the Pensions Dashboard. Building on the success so far of automatic enrolment, Pensions Dashboards have the potential to improve retirement outcomes for many people, and I look forward to leading the team driving this forward.”

## Notes for editors

1. **The Pensions Policy Institute (PPI)** is an educational research charity, which provides non-political, independent comment and analysis on policy on pensions and retirement income provision in the UK. Its aim is to improve the information and understanding about pensions policy and retirement income provision through research and analysis, discussion and publication. Further information on the PPI is available on our website [www.pensionspolicyinstitute.org.uk](http://www.pensionspolicyinstitute.org.uk).
